Elvis Presley, I'm Leavin'

(Words & amp; music by Jarrett / Charles)

La la

La la la la la la la la la la la la

La la la la la la la la la la la la

Well I know, if I'd arrived in time to know you

You'd have taken the time to show me

I wouldn't be lonely

Where will I go, who will I have to lie beside me

Is it something that's inside me

I'm so lonely

Tried so hard each time, each time I just can't make it

Feelin' fast vibrations and I just can't take it

Living from day to day, chasing the dream

I'm, I'm leavin

La la

La la la la la la la la la la la la la

Tried so hard each time, each time I just can't make it

Feelin' fast vibrations and I just can't take it

Living from day to day, chasing the dream

I'm, I'm leavin

La la

La la la la la la la la la la la la

La la la la la la la la la la la la

La la la la la la la la la la la la

I'm, I'm leavin

La la

La la la la la la la la la la la la la

La la la la la la la la la la la la
