Elvis Presley, It's Impossible

It's impossible to tell the sun to leave the sky, It's just impossible. It's impossible to ask a baby not to cry, It's just impossible. Can I hold you closer to me And not feel you going through me, But the second that I never think of you? Oh, how impossible.

Can the ocean keep from rushing to the shore? It's just impossible.
If I had you could I ever ask for more? It's just impossible.
And tomorrow, should you ask me for the world Somehow I'd get it, I would sell my very soul And not regret it for to live without your love Is just impossible

Can the ocean keep from rushing to the shore? It's just impossible.
If I had you could I ever ask for more? It's just impossible.
And tomorrow, should you ask me for the world Somehow I'd get it, I would sell my very soul And not regret it for to live without your love Is just impossible Oh impossible, Impossible.
