

# Elvis Presley, Judy

They say you found somebody new  
Whose love will always be true  
I don't know what it is to be alone  
That's why I dread to know you're gone

Oh judy, don't let our sweet love  
Wither and die like flowers in the fall  
Oh judy, don't you know it's you  
I love most of all

Oh, please come back I promise always to be true  
Oh judy, there'll never be anyone else dear but you

Oh, please come back I promise always to be true  
Oh judy, there'll never be anyone else dear but you
