## Elvis Presley, Let Me Be There

(J. Rostill)

Wherever you go Wherever you may wonder in your life Well surely you know, I always wanna be there Holding your hand And standing by to catch you when you fall Seeing you through, in everything you do

I said let me be there in your morning Let me be there in your night Let me change whatever's wrong and make it right Let me take you to that wonderland that only two can share All I ask you, is let me be there

Watching you grow And going through the changes in your life That's how I know, I always wanna to be there Whenever you feel you need a friend to lean on Here I am Whenever you call, you know I'll be there

I said let me be there in your morning Let me be there in your night Let me change whatever's wrong and make it right Let me take you to that wonderland that only two can share All I ask you, is let me be there

Let me be there in your morning Let me be there in your night Let me change whatever's wrong and make it right Let me take you to that wonderland that only two can share All I ask you, is let me be there

All I ask you is let me be there

I said let me be there in your morning Let me be there in your night Let me change whatever's wrong and make it right Let me take you to that wonderland that only two can share All I ask you, is let me be there All I ask you is let me be there
