## Elvis Presley, Poor Boy

(Vera Matson - Elvis Presley)

They call me poor boy, poor boy, poor boy But I ain't lonesome and I ain't blue 'Cause I could never be a poor boy As long as I've got a dolly like you

Ain't got a crust, ain't got a cent Can't buy a jug, can't pay the rent I got a heartfull of dreams And a lot of memories And that's enough for me

Can't buy a house, can't buy a lot Ain't got a bean, I ain't got a pot But what I got is a heartfull of Love and memories And that's enough for me

Don't have a pig, don't have a cow I don't have a horse to pull a plow But what I got is a heartfull of Love and memories And that's enough for me
