Elvis Presley, Sentimental Me

Sentimental me Guess I'll always will be So in love with you Say you love me too Sentimental me

Dreaming while I live Living just to give All my love to you No one else will do Sentimental me

Reaching for the moon Wishing on the stars On my honeymoon I want to be where you are

Darling can't you see It was meant to be I'm in love with you Say you love me too Sentimental me

Darling can't you see It was meant to be I'm in love with you No-one else will do
