

# Elvis Presley, Stay Away, Joe

Ho jump down, spin around, let's have a party  
Look who's back, Stay Away Joe  
Chock taw, chick a Shaw, gonna drink me hearty  
Welcome back, Stay Away Joe

Stay Away Joe they call me  
Stay Away Joe oh yeah!  
But if you need me call me  
Hoop and a holler and I'll be there  
Ho!

Who keeps turnin' up like a bad penny  
Take one guess, Stay Away Joe  
Always findin' trouble a-plenty  
Oh my yes, I reckon you know

Stay Away Joe they call me  
Stay Away Joe oh yeah!  
But if you need me call me  
Hoop and a holler and I'll be there  
Ho!  
Ho!

When two lips are right for the pickin'  
Who crops up  
I love them and leave them screamin' 'n kickin'  
Giddy up look at him look at him go

Stay Away Joe they call me  
Stay Away Joe oh yeah!  
But if you need me call me  
Hoop and a holler and I'll be there  
Ho!  
Hey!
