Elvis Presley, Suppose

(Dee / Goehring)

Suppose no rose would ever grow again Suppose no brook would ever flow again Suppose no star should ever glow again Suppose you didn't love me

Suppose there were no bees or butterflies Suppose no bird should ever cross the skies Suppose the sun should never never rise Suppose you didn't love me

- * It's impossible to imagine a world without a star But imagining no you is more impossible, by far Suppose the Springtime never should arrive Suppose the tall green trees should not survive Suppose I had no wish to be alive Suppose you didn't love me
- * Repeat Suppose you didn't love me
