## Elvis Presley, Suspicion

Ev'rytime you kiss me I'm still not certain that you love me Ev'ry time you hold me I'm still not certain that you care Though you keep on saying you really, really, really love me do you speak the same words To someone else when I'm not there

Suspicion torments my heart Suspicion keeps us apart Suspicion why torture me

Ev'rytime you call me and tell me we should meet tomorrow I can't help but think that you're meeting someone else tonight Why should our romance just keep on causing me such sorrow? Why am I so doubtful whenever you're out of sight?

Darling, if you love me,
I beg you wait a little longer
Wait until I drive all
these foolish fears out of my mind
How I hope and pray that
our love will keep on growing stronger
Maybe I'm suspicious
'cause true love is so hard to find
