

# Elvis Presley, This Is Living

This is living, full of fun and free  
This is living, that's the life for me

It's good to laugh and sing, don't worry about a thing  
Wear a happy smile, cut loose and run a mile  
If you relax and just enjoy it all, life has got to be a ball

This is living, full of fun and free  
This is living, that's the life for me

It wouldn't mean a thing  
If I could be a king  
I really wouldn't care  
To be a millionaire  
I'd rather find someone to love a lot  
Live and give it all I've got

This is living, full of fun and free  
This is living, that's the life for me

Don't wanna settle down  
I gotta move around  
I gotta lot of time  
I'm gonna wait and find  
The kinda girl who's heart is restless too  
The kind who feels the way I do

This is living, full of fun and free  
This is living, that's the life for me
