

Elvis Presley, Words

(words & music by Barry, Maurice and Robin Gibb)

Smile an everlasting smile

A smile can bring you near to me

Don't ever let me find you gone

'Cause that could bring a tear to me

This words have lost their glory,

Let's start a brand new story, now my love

Right now there'll be no other time

And I can show you all my love

Talk in everlasting words

And dedicate them all to me

I will give you all my life

It's here if you should call to me

You think that I don't even mean

A single word I say

It's only words and words are all I have

To take your heart away
