## Elvis Presley, Words

(words & amp; music by Barry, Maurice and Robin Gibb) Smile an everlasting smile A smile can bring you near to me Don't ever let me find you gone 'Cause that could bring a tear to me This words have lost their glory, Let's start a brand new story, now my love Right now there'll be no other time And I can show you all my love Talk in everlasting words And dedicate them all to me I will give you all my life It's here if you should call to me You think that I don't even mean A single word I say It's only words and words are all I have To take your heart away
