

# Elvis Presley, You Don't Know Me

You give your hand to me  
and then you say hello  
And I can hardly speak,  
my heart is beating so  
And anyone could tell,  
you think you know me well  
But you don't know me

No you don't know the one  
who dreams of you at night  
And longs to kiss your lips  
and longs to hold you tight  
To you I'm just a friend,  
and that's all I've ever been  
No, you don't know me

For I never knew the art of making love  
Though my heart aches with love for you  
Afraid and shy I let my chance go by  
The chance that you might love me too

You give your hand to me  
and then you say good-bye  
I watch you walk away beside the lucky guy  
To never, never know the one who loves you so  
No, you don't know me
