Elvis Presley, You Don't Know Me

You give your hand to me and then you say hello And I can hardly speak, my heart is beating so And anyone could tell, you think you know me well But you don't know me

No you don't know the one who dreams of you at night And longs to kiss your lips and longs to hold you tight To you I'm just a friend, and that's all I've ever been No, you don't know me

For I never knew the art of making love Though my heart aches with love for you Afraid and shy I let my chance go by The chance that you might love me too

You give your hand to me and then you say good-bye I watch you walk away beside the lucky guy To never, never know the one who loves you so No, you don't know me
