

Embraze, Passion

Passion
We are going yeah
We are going babe

You look so beautiful when you cry
You want to die whore

Real me I say
That pulls you away

I pray for you and I fuck you
I wanna fuck you all

Don't you wanna know that I feel
Oh my passion and love
Give me your warmth, no matter
Your time is all I want

Fuck me
Suck me
Hate me

I wanna fuck you
Can you feel me
