

# Emerson Drive, Some Trains Never Come

Billy had an eye for looking  
She had her eye on him  
They may know how they stayed together  
Be it sink or swim  
Through the autumn, through the winter  
You'd never see them apart  
Then Billy left for a summer job  
That girl she broke his heart

## CHORUS

Don't you know that you might have a ticket  
Oh you just might right on time  
but if things ain't willing love have mercy cause  
Some trains never come  
Some trains they never come

Sally found her Mr. Right  
Dressed in a three piece suit  
That night he offered to drive her home  
After drinks after 2  
He never bothered to mention a word  
About the wife and kids  
He thought he'll never bother to call her at all  
Ain't that the way it is

## CHORUS

Only two people who swear its coming  
Some say its already passed  
I say they'll never find it at all  
Until you walk the tracks

Don't you show that you might have a ticket  
Oh you just might right on time  
but if things ain't willing love have mercy cause  
Some trains never come  
Some trains they never come

Don't you know you can't see where you're going  
If you can't remember where you've been  
Cause now love will leave you waiting  
Crying at the station  
Some trains never come  
Some trains they never come
