

Emerson Hart, Friend To A Stranger

From a friend to a stranger, how's your life
In your current situation
Did they hold you hostage, did they tell you lies?
Just to add to your frustration
Oh, my heart

So you drown the whole day, in your troubled heart
On the road to change your life
Not to give it all away, but to sing your song
Cause in the end, that's where you arrive
Oh, my heart it breaks me
When I hear them callin' me
Oh, to see inside myself
A guy can see that no one else could ever know
The way we'd end up please

So from a friend to a stranger, how's your life
In your current situation
Wish you happiness and freedom, and I wish you life
When you reach your destination
Your destination
Your destination
