

# Emigrate, You Can't Get Enough

Separate from your affliction  
feel alone when I look in your eyes  
I'm no longer your addiction  
a distant void reflecting in your lies

Don't say a word  
don't cry

You can't get enough  
Under your skin  
You can't get enough  
Drawing your sin

You can't get enough  
Under your skin  
You can't get enough

Your lower power is now calling  
spiders crawling through your open pores  
in your presence feel you're falling  
I say enough but all you want is more

Don't say a word  
don't lie

You can't get enough  
Under your skin  
You can't get enough  
Drawing your sin

You can't get enough  
Under your skin  
You can't get enough  
Drawing your sin

You can't get enough  
Under your skin  
You can't get enough
