

Emika, Flashbacks

I try to forget about you
I try and I try
I try to forget about you
I try and I try

I crawl under my skin

...

And in my memory
To where I don't have a key

Touch me slowly
Take my ache
Touch me slowly
Take my ache

Replace
I, I to see...

...

How long is it stay?

Touch me slowly
Take my ache
Touch me slowly
Take my ache
