

# Emiliana Torrini, I'm A Bad Luck Woman

Every man I get, he won't get sick - he will die  
Doggone woman take from him he's a doggone fly

I'm a bad luck woman  
I'm a bad luck woman  
I'm a bad luck woman I can't see the reason why

Well the next man I got, you know he worked very hard  
Just as soon as I got him he lost his doggone job

I'm a bad luck woman  
I'm a bad luck woman  
I'm a bad luck woman I can't see the reason why

Well the next man I got he was a railroad man  
Just as soon as I got him everything went out his doggone hands

I'm a bad luck woman  
I'm a bad luck woman  
I'm a bad luck woman I can't see the reason why

Well the next man I got he was long and tall  
Everytime i look around he was kickin' at someone other mans jaw

I'm a bad luck woman  
I'm a bad luck woman  
I'm a bad luck woman i can't see the reason why

Wooooooh

Well the next man I got he was short and fat  
I couldn't keep him because he wasn't taught like that

I'm a bad luck woman  
I'm a bad luck woman  
I'm a bad luck woman I can't see the reason why

Well the next man I got he was a sandhawk in the sea  
I had him two days and he got drowned away from me

I'm a bad luck woman  
I'm a bad luck woman  
I'm a bad luck woman I can't see the reason why
