

# Emily King, U & I

[Verse 1:]

Oh, In The Spring, As The Lovers And Birds Would Sing,  
I'd Be Walkin' Alone With Nowhere To Go  
Quietly Doin' My Thing  
Then Came The Sight, Of An Energy Shinin' So Bright  
As You Closely Walked By Your Eyes Met With Mine  
Makin' Me Feel So Alive...

[Chorus:]

Oh, I Have Been Waiting For All Of This Time...  
You-Ooo Finally Found You, My Love Has Arrived  
Once There Was Me, Now There's You And I.

[Verse 2:]

We Spent That Day, And We Laughed And We Smiled And  
We Played..And With Everything Right, Not A Problem In Sight  
I Pray That This Moment Would Stay  
Then Came The Night, And We Stared At The Stars In The Sky  
And As We Spoke Of Our Plans, You Reached For My Hand  
Makin Me Feel So Alive And...

[Chorus:]

Oh, I Have Been Waiting For All Of This Time...  
You-Ooo Finally Found You, My Love Has Arrived  
Once There Was Me, Now There's You And I.

[Bridge:]

Before You Came, My World Was Empty(My World Was Empty... Yeah)  
You Brought The Joy Back To My Star(You Brought The Joy Back)  
And Now I Know That We Will Stay More Than Friendly(I Know, I Know, I Know)  
Cuz I Want To Be, With You Always

[Chorus: x2]

Oh, I Have Been Waiting For All Of This Time...  
You-Ooo Finally Found You, My Love Has Arrived  
Once There Was Me, Now There's You And I.
