

Emily Lily, Eyeliner

I will paint heart my eyeliner
In center write love
Though I know, that it nonsense
Love me? Behind it lady?
I know about best it!
Will drink up you? Not! I will make it !
And I will be changed to grudging dressed girl!
You look on my legs strangely! Long and char!
You forget about I!

Chorus:

Would remember you about fair hair?
Loved you in whole?
Fuck! Womanizer!
Whoa! Whoa! Whooa!
Love you? I do not judge!
I know that I am not fairest!
Charm has spattered! I am already!
Now I am teen! Ow~!
You forget about I!

Chorus:

Would remember you about fair hair?
Loved you in whole?
Fuck! Womanizer!
Whoa! Whoa! Whooa!

Chorus:

Would remember you about fair hair?
Loved you in whole?
Fuck! Womanizer!
Whoa! Whoa! Whooa!
I am stylish ! (sha lala)
You are boring ! (sha lala ow!)
I am not silly ! (sha la la)
You are hopeless! (1,2,3,4!)

Would remember you about fair hair?
Loved you in whole?
