

Emily Lily, Here i am

Here i am
Exactly so
My soul
I die
I live

Consolation:

"Here i am"

1. You are seen in mirror and you have me notion
You feel touch of angel because you are lost
You believe that sometime this moment will come
Life will be changed , this time will come

Now I sing it

Now I is crucified

Now I believe.

There is nonsense

You are in concealment

You are such grey

You are though does not have you!

You are in dreams

Chorus: Think, think

I has been lost in life

I know, I know

I know impossible things

You are thing !

Hear you? You!

Here i am (i am)

Exactly so (so, so)

My soul (so-soul)

I die (die)

I live (live)

Consolation: (hy?)

"Here i am" (i am)

2. I am such innocent when I see you

You know, that about that know think!

Idiot! Thief! Egoist! Nightmare! It your feature!

I am singer and I believe to! O-o-o-oooohooooow!

Now it stand up

Now it listen to

Now now

Now I will change totally

You are in concealment

You are such grey

You are though does not have you!

You are in dreams

Chorus: Think, think

I has been lost in life

I know, I know

I know impossible things

You are thing !

Hear you? You!

Regret, regret

It is not me

Shit, shit

This your name

You are boring

Are you there? Yes, you!

Claims, claims

You be able to complain only

Complexes, complexes

You have them for many

You are cold & hot

Oooooooo

So here I am it help
