

Emily Lily, You're in your teens!

Do the first pyjama event!
She won't forget about the
pizza and about drinks!
Dance at the Rihanny music.
Flirt with the handsome boy.
You will see! You will manage!
She won't forget to invite it to
the cinema to comedies romantic.
You are in your teens,
so she won't forget about the play!

Chorus:

Time of the fun, the shopping and the fashion!
Believe yourself, and you will do everything!
You will see yourself on the cover of magazine!
And use this time!

Because it lasts the moment!
We will go to a party to the friend!
she won't forget about the jollity!
Bring plates with the best Miley Cyrus songs.
And you will be dancing on the parquet!

Chorus:

Time of the fun, the shopping and the fashion! (fashion, och yeah!)
Believe yourself, and you will do everything! (e-e-e-e-e)
You will hear each other on the radio! (radio, magazine, TV)
And use this time! (c'mon)

Because it lasts the moment! (oow!)
Now a fun is an only thing in your life!
Turn the music down for a moment!
I, i want, i, i, i want, want (I, i want, i, i, i want, want)
I want to fun!!!

Time of the fun, the shopping and the fashion! (fashion, och yeah!)
Believe yourself, and you will do everything! (o-o-o-o-o)
You will watch your series on TV!
And use this time! (c'mon)

Because it lasts the moment! (oow!)
Time for singing from Emily Lily
Let us sing the song "You're in your teens!"
You will see yourself on the cover of magazine!
And use this time!

Because it lasts the moment!
Because it lasts the moment!
Because it lasts the moment! lasts the moment!
You will hear each other on the radio!
