

Emily Osment, Let's Be Friends

Hey, what's your name
I think I like you
Come a little closer now
Wait, what did you say
Is that your girlfriend?
I think I'll be turning that around

Don't you wanna, don't you wanna,
Don't you wanna know
What it would feel like?

Let's be friends, so we can make out
You're so hot, let me show you around
Say what I want and I'm okay
Everyone knows, I'm getting my way
It doesn't matter what you say
I'm knocking it down, down, down
I'm knocking it down, down, down
I'm knocking it down

Hey, let me flip through the pages
For something outrageous
Potentially, maybe it could be more
But don't get your hopes up
First is just hook-up
Maybe you do, what I make you for

Don't you wanna, don't you wanna,
Don't you wanna know
What it would feel like?

Let's be friends, so we can make out
You're so hot, let me show you around
Say what I want and I'm okay
Everyone knows, I'm getting my way
It doesn't matter what you say
I'm knocking it down, down, down
I'm knocking it down, down, down
I'm knocking it down
