

Eminem, Ode To A Lost Love (Uncut)

i lost her in a flash of a second
she left coz she didnt like my shit.
she walked down the street,
tappin them feet,
rhymin a tune,
in blue lagoon

chorus

Fit and fit as fit can be,
blonde and tall,she loved me
but,although,she had her wits,
and,also,she had big tits!
could i have been so dumb,
well,yeah, i was bred from my mum!

bridge

why'd i have to treat her bad?
why'd i end up makin her sad?
she must hate me,
why does this be?
ode to a lost love

chorus

she was sweet,as sweet can be,
looked after Hailie,for me
liked my music,
and my dick
why'd i treat her bad?

chorus
