

Emm Gryner, Crazy Train

Crazy, but that's how it goes
Millions of people living as fools
And maybe it's not too late
To learn how to love
And forget how to hate

Mental wounds not healing
Life's a bitter shame
I'm going off the rails on a crazy train
I'm going off the rails on a crazy train

I've listened to preachers
And I've listened to fools
I've watched all the dropouts
Make their own rules
One person conditioned to rule and control
The media sells it and you live the role

Mental wounds still screaming
Driving me insane
I'm going off the rails on a crazy train
I'm going off the rails on a crazy train
I'm going off the rails on a crazy train
I'm going off the rails

I know that things are going wrong for me
But you've gotta listen to my words
Oh no...
Oh...

Heirs to a cold war
That's what we've become
Inheriting troubles, I'm mentally numb
And crazy, I just cannot bear
I'm living with something that just isn't fair

And mental wounds not healing
Who and what's to blame
I'm going off the rails on a crazy train
I'm going off the rails on a crazy train
I'm going off the rails on a crazy train
I'm going off the rails...
