

Emm Gryner, Shining Light

Roman candles that burn in the night,
Yeah, you are a shining light.
You lit a torch in the infinite,
Yeah, you are a shining light.
Yeah, you light up my life.

You have always been a thorn in their side,
But to me you're a shining light.
You arrive and the night is alive,
Yeah, you are a shining light.
Yeah, you light up my life.

We made a connection,
A full-on chemical reaction,
Brought by dark divine intervention,
Yeah, you are a shining light.
A constellation once seen,
Over royal David's city,
An epiphany you burn so pretty,
Yeah, you are a shining light.

You are a force
You're a constant source,
Yeah, you are a shining light.
Incandescent in the darkest night,
Yeah, you are a shining light.
My mortal blood I would sacrifice,
For you are a shining light.
Sovereign bride of the infinite,
Yeah, you are a shining light,
Yeah, you light up my life.

We made a connection,
A full-on chemical reaction,
Brought by dark divine intervention,
Yeah, you are a shining light.
A constellation once seen,
Over royal David's city,
An epiphany you burn so pretty,
Yeah, you are a shining light.

These are the days you often say
There's nothing that we cannot do,
Beneath a canopy of stars
I'd shed blood for you.
The north star in the firmament,
You shine the most bright.
I've seen you draped in an electric veil
Shrouded in celestial light.

We made a connection,
A full-on chemical reaction,
Brought by dark divine intervention,
Yeah, you are a shining light.
A constellation once seen,
Over royal David's city,
An epiphany you burn so pretty,
Yeah, you are a shining light,
Yeah, you light up my life.
Yeah, you are a shining light
Yeah, you light up my life.
