Emma Bunton, A Girl Like Me

What you get is what you see Let me tell you basically This is how it's gotta be Can't - with a girl like me Can't change my destiny So if you wanna get next to me Gotta treat me faithfully Can't - with a girl like me

Two o' clock, I'm all alone
Hear you on the telphone
Telling me another line
Said that you'd be working late
Asking me if I could wait
Run that by me one more time

Keep me hanging on the line But you're running out of time Might have been a fool for love, but I'm not blind

If you're looking for a play thing Every other day thing I am not the one for you I'm not looking for a part time Give me half your heart and Tell me what you're gonna do

Look into my eyes, let me tell you one more time I need everything, that's how it's gonna be With a girl like me With a girl like me

Broken rings and promises Gotta be much more than this I don't have to compromise Been around enough to know When it's time to let it go Do I have to say goodbye

Gonna make it clear to you
Only one thing left to do
Better understand cos every word is true

If you're looking for a play thing
Every other day thing
I am not the one for you (yeah yeah)
I'm not looking for a part time
Give me half your heart and
Tell me what you're gonna do

Look into my eyes, let me tell you one more time I need everything, that's how it's gonna be With a girl like me (oh yeah) With a girl like me (yeah-yeah-yeah-yeah)

Yeah yeah yeah

What you get is what you see
Let me tell you basically
This is how it's gotta be
Can't - with a girl like me (with a girl like me)
Can't change my destiny
So if you wanna get next to me
Gotta treat me faithfully

Can't - with a girl like me
