

# Emma Bunton, (Hey You) Free Up Your Mind

Free up your mind  
Ooohh, all right

Let the music free up your mind  
(Free up your mind)  
Free up your mind

Hey, you, over there  
Know you got a problem but don't despair  
See me I had no soul  
Til I found myself with the rock n roll

There must be something that you're longing to be  
Give into the rhythm  
Let the music free up your mind

Let the music free up your mind  
(And it will help you refine)  
Let the music help you to find  
(The beats will give you a sign)  
Ooohh, let the music free up your mind  
Free up your mind

Hey, you, over there  
Don't wanna hear the reasons cause I don't care  
See me believe in you  
Gotta help yourself what you gonna do

There must be something that you're longing to say  
Give into the rhythm  
Let the music free up your mind

Let the music free up your mind  
(And it will help you refine)  
Let the music help you to find  
(The beats will give you a sign)  
Ooohh, let the music free up your mind  
Free up your mind

Hey you, hey you  
Hey you, hey you-ooo  
Hey you, hey you
