

Emma Bunton, Invincible

Come on, da-da, da-la-da-da-daw
Da-da, da-la-da-daw

You know nothing can stop us
No one can get in our way
We're on top, nothing's above us
We can fly, fly away

Like Superman and Lois Lane
We're just as strong, just the same
I know nothing can stop us

I am, you are, we're one
You say, the word, and I'll come
We're invincible, yeah
Be-bop-a-loo, be-bop-a-loo
We're one
We're invincible

I know nothing can break us
No one can tear us apart
We're free, wind's gonna take us
So free wherever we are

Like Kryptonite, we're out-of-sight
We need to touch to make it right
I know nothing can break us

I am, you are, we're one
You say, the word, and I'll come
We're invincible, yeah
Be-bop-a-loo, be-bop-a-loo
We're one, we're invincible, yeah

Da-da, da-la-da-da-daw (come on)
Da-da, da-la-da-daw
Da-da, da-la-da-da-daw
Da-da, da-la-da-daw

Like Superman and Lois Lane
We're just as strong, we're just the same

I am, you are, we're one (yeah we're one)
You say, the word, and I'll come (yes, I will come)
We're invincible, yeah
Be-bop-a-loo, be-bop-a-loo
We're one (we're one)
We're invincible, yeah

I am, you are, we're one (yeah we're one)
You say, the word, and I'll come (yes, I will come)
We're invincible, yeah
Be-bop-a-loo, be-bop-a-loo
We're one
We're invincible

Da-da, da-la-da-da-daw
Da-da, da-la-da-daw
Da-da, da-la-da-da-daw
(We're invincible)
