

# Emmanuelle Seigner, Cold Outside

Yes it's cold outside  
hate but that's alright  
we can hide away  
all nights and days  
cause we've got each other

Well you know I tried  
But my hands are tied  
I can let you go  
Baby don't you know  
That's what I've discovered

There's no place I'd rather be  
Than in this room  
There's no way I rather make it through the  
Winter without you

Yes it's cold outside  
hate but I don't mind  
we can sleep away  
?till another day  
cause we've got each other
