

Emmanuelle Seigner, I don't believe you

I don't believe you
But you say that you are mine
I don't believe you
When you say I'm sick of time
I don't believe you
Though you swear that is the truth
But I still need you baby
And there's nothing I can do

I see through you
I see right through
I see through you
But it doesn't too appear of good
Cause you got me when you want
Yeah you got me on my knees
And they love the way you don't
Oh I love the way you tear
Yeah you got me where you want
And I just can't help myself
And I keep on hanging on
Cause I don't want no one else

I don't believe you
When you say that you'll be there
I'll might believe you
And you wouldn't if I can
I don't believe you
Never did and never will
But I still need you baby
And I can see to cut my fear

I see through you
I see right through
I see through you
But it doesn't too appear of good
Cause you got me when you want
Yeah you got me on my knees
And I love the way you don't
Oh I love the way you tear
Yeah you got me where you want
And I just can't help myself
And I keep on hanging on
Cause I don't want no one else
