

Emmylou Harris, Ashes By Now

(Rodney Crowell)

This morning is Monday where are you now
Teasin' my memory teaching me how to lay low
When I don't want to
Well love is elusive this I know now
It's making me crazy leaving me out
In the open when I don't want to

The moments of pleasures Never do last
Are gone like a suitcase full of your past
Long gone and in a hurry

Baby, I can't go through this again
I don't need to go down more then I've already been
Just like a wild fire you're running all over town
As much as you burn me baby I should be ashes by now

The second street beggars alone in their life
Drunk on a sidewalk to hide from the night
Like I am They're just like I am

Baby, I can't go through this again
I don't need to go down more then I've already been
Just like a wild fire you're running all over town
As much as you burn me baby I should be ashes by now

Just like a wild fire You're running all over town
As much as you burn me, baby I should be ashes by now
Ah ah ah ah ah ah ah ah I should be ashes by now
