Emmylou Harris, Belle Starr

My mamma and my daddy
Told me that love is a two-way street
But lately baby, you've been finding
New ways of dragging yout feet
So come on, make your best shot
You don't have to take the blame
I'll be your belle star
You can be my Jesse James

There's lonely people everywhere From Abilene to Arkansas The way they run for cover You'd think love was against the law Well i don't need a pistol, baby You won't have to rob a train You can be my belle star And i can be your Jesse James

I know you've done some hard time Baby, and you've got your doubts When you feel surrounded And it's looking there's no way out I'll come riding to rescue All you gotta do is call my name I'll be your belle star You can be my Jesse James

It don't take a genius, baby
There aint no big mystery
You can't play it safe
And still go down in history
So saddle up the horses
'Cos we're headed for the hall of fame
I'll be your belle star
You can be my Jesse James
I'll be your belle star
You can be my Jesse James
