Emmylou Harris, Even Cowgirls Get The Blues

(Rodney Crowell)

She's a rounder I can tell you that She can sing 'em all night, too She'll raise hell about the slep she lost But even cowgirls get the blues

Especially cowgirls, they're the gypsy kind And need their laid on 'em loose She's lived to see the world turned upside down Hitchin' rides out of the blues

But even cowgirls get the blues sometimes Bound to don't know what to do sometimes Get this feelin' like she's too far gone The only way she's ever been

Lonely nights are out there on the road Motel ceiling stares you down There must be safer ways to pay your dues But even cowgirls get the blues

Even cowgirls get the blues sometime Bound to don't know what to do sometimes Get this feelin' like she's too far gone The only way she's ever been

Even cowgirls get the blues sometime Bound to don't know what to do sometimes Get this feelin' like the restless wind The only way she's ever been
