

Emmylou Harris, For No One

(John Lennon/Paul McCartney)

The day breaks your mind aches
You find that all her words of kindness linger on
She no longer needs you
She wakes up she makes up
She takes her time and doesn't feel she has to hurry
She no longer needs you

And in her eyes you see nothing
No sign of love behind the tears
Cried for no one

A love that should have lasted years
You want her you need her
And yet you don't believe her when she said her love is dead
You think she needs you
She goes out you stay home
She says that long ago she knew someone but now he's gone
She doesn't need him

And in her eyes you see nothing
No sign of love behind the tears
Cried for no one

A love that should have lasted years
Your day breaks your mind aches
There will be time when all the things she said
Will fill your head
You won't forget her
