

Emmylou Harris, Long Tall Sally Rose

(Emmylou Harris / Paul Kennerley)

Well tonight I'm gonna wear my dancin' shoes
'Cause I heard the word and I heard the news
There's a gal in town she's packin' 'em in
If you've seen her once, you'll see her again

She's got a red hot dynamite band
They're burnin' down another one-night stand
Headlinin' double shows
Everybody go see Sally Rose

She sure knows how to rock the crowd
Rocks 'em slow rocks 'em loud
So you better move fast 'cause tickets are tight
If you wanna see Sally Rose pick it tonight
