

Emmylou Harris, Making Believe

(Jimmie Work)

Making believe that you still love me
It's leaving me alone and so blue
Still I'll always dream, but I'll never own you
Making believe, its all I can do

Can't hold you close when you're not with me
You're somebody's love, you'll never be mine
Making believe I'll spend my lifetime
Loving you and making believe

Making believe I never lost you
But my happy hours are so few
My plans for the future will never come true
Making believe what else can I do
