

# Emmylou Harris, May This Be Love

(Jimi Hendrix)

Waterfall

Nothing can go wrong

Nothing can go wrong

My sweet waterfall

When I go

When I go down deep

I want you here with me

My sweet waterfall

I can see

A rainbow calling me

Through your mystery

My sweet waterfall

Waterfall

For a million day

Fall with me for a million days

My sweet waterfall

Waterfall

Nothing can go wrong

Nothing can go wrong

My sweet waterfall

Nothing can go wrong

My sweet waterfall
