## Emmylou Harris, Sin City

(Gram Parsons/Chris Hillman)

This old town is filled with sin It will swallow you in If you've got some money to burn Take it home right away You've got three years to pay But Satan is waiting his turn The scientists say It will all wash away But we don't believe any more Cause we've got our recruits And our green mohair suits So please show your I.D. At the door This old earthquake's gonna leave me in the poor house It seems like this whole town's insane On the thirty-first floor a gold plated door Won't keep out the Lord's burning rain

A friend came around
Tried to clean up this town
His ideas made some people mad
But he trusted his crowd
So he spoke right out loud
And they lost the best friend they had
This old earthquake's gonna leave me in the poor house
It seems like this whole town's insane
On the thirty-first floor a gold plated door
Won't keep out the Lord's burning rain
On the thirty-first floor a gold plated door
Won't keep out the Lord's burning rain
