

# Emmylou Harris, White Shoes

(Jack Tempchin)

I want 'em, I need 'em  
And I'm gonna go out and get 'em  
White shoes

I know I'll feel better  
When I slide down into the leather  
White shoes

White shoes ... woah, oh, oh... white shoes  
White shoes ... woah, oh, oh... white shoes

I woke up from a dream  
When I saw 'em in a magazine  
White shoes

I said Lou you gotta start new  
And the first thing you gotta do  
Is get some white shoes

White shoes ... woah, oh, oh... white shoes  
White shoes ... woah, oh, oh... white shoes

You know he left me with the lonesome blues  
Been hangin' 'round too long with nothin' to do  
Yeah, he really made me pay those dues  
But I'm goin' out on the town tonight in  
White shoes

Well, I wanted 'em, I needed 'em  
Yeah, and I went out and got 'em  
White shoes  
That new boy when I see him  
I'm gonna walk right up and meet him in  
White shoes

White shoes ... woah, oh, oh... white shoes

White shoes  
I'm goin' out on the town tonight

White shoes ... woah, oh, oh... white shoes  
White shoes ... woah, oh, oh... white shoes
