

# Emo Side Project, All You Ever Need (To Get You)

everything you want is gone  
and all you needed for so long is me  
to hang around and be your only one  
the only thing you ever need  
i am the scab that you pick off your knees  
but it just sits and lingers  
it grows back and hurts you ten times more

all you ever need is love  
all you ever need is love to get you by (to get you)  
all you ever need to get you

like the days that always seem so long  
they always seem to never end  
reminds me of the dream i had last night  
the one where you would cling to me  
and i would never let you fall  
no matter how much i wanted to let go and believe me  
i wanted to let go

all you ever need is love  
all you ever need is love to get you by (to get you)  
all you ever need to get you

all you ever need is love  
to get you to get you  
(why dont you let go)  
all you ever need is love  
to get you to get you
