

Emo Side Project, I've Got My Heart On My Sleeve

our conversations lacking words minds clouded up
you're usually not like this something must be up
and you're twirling your hair not looking me in the eyes
give me the bad news first

i've got my heart on my sleeve and it doesn't even matter
we're one year older one year closer to dying
heart on my sleeve and it doesn't even matter
we're one year older one year closer to dying
and i'm scared

the temptations and fighting them is the challenge to deal with
forget the heartbreak compared to this it's elementary
paint my tv a different picture
just get out of my head, i need to forget this

i've got my heart on my sleeve and it doesn't even matter
we're one year older one year closer to dying
heart on my sleeve and it doesn't even matter
we're one year older one year closer to dying
heart on my sleeve and i'm giving my all
i've got my heart on my sleeve and i'm giving my all
(please, please i need to forget this i swear that i'm that dying i'm losing it all)

i've got my heart on my sleeve
and it doesn't even matter
we're one year older
one year closer to dying
heart on my sleeve
and it doesn't even matter
we're one year older
one year wiser
heart on my sleeve
and it doesn't even matter
we're one year older
we'll never fall in love again
