

Emo Side Project, Paper, Scissors, Bloody Broke

From A Nail On The Wall

The last few weeks you've

Been taking me (For granted)

And I've let you, (And i've liked it)

But now you've gone too far

Cause when I say (I Love You)

You just say, yeah..yeah, ok! ok! ok! ok! ok! ok! okayy! alright! alright!

Man, you fucking liar

Don't be so sure

Our love can't expire

Let go of my hand,

Don't love me anymore

Don't you try to say "sorry"

It's not gonna work, I'm not coming back to you

Being drawn into tempations

Yeah, you've got a pretty face

But you're heart.. That's another story..

(Paper, Sissors, Bloody Broken Heart Hanging From A Nail On The Wall

Kept A Promise, Kept It Secret; I Never Loved You)

I'm forgetting you.

Forgetting you.

Forgetting you.

(And love)

I'm Forgetting you...
