

Emo Side Project, So Perfect

sun shining behind you
you looked like an angel
your voice was pretty like you
perfectly drawn out together
perfectly pictured i grabbed you
and swung you around

whoever said that nobodys perfect was wrong
you are, you are

you always say the right thing
when everythings wrong
eyes sparkle like water
perfectly perfect for each other
perfectly pictured i told you
i was in love

whoever said that nobodys perfect was wrong
you are, you are

you are to me you're my everything
and i wouldn't trade you for the world
you are to me you're my everything oh
believe me when i say
you're pefect
