## Emperor, Al Svartr (The Oath)

Hark, O Nightspirit
Father of my dark self
From within this realm, wherein Thou dwelleth
By this lake of blood from which we feed to breed
I call silently for thy presence as I lay this oath

May the night carry my will And may these old mountains forever remember this night May the forest whisper my name And may the storm bring these words to the end of all worlds

May the wise moon be my witness As I swear on my honour In respect of my pride and darkness itself That I shall rule by the blackest wisdom

O Nightspirit
I am one with Thee
I am the eternal power
I am The Emperor

Winds and storms, embrace us now Lay waste the light of day Open the gates to darker lands
