

# Emperor, Cromlech

(Originally released by Darkthrone in 1990 on the album "Soulside Journey".)  
(4:14)

Into the abyss I fall  
and Dark is the reich of the dead.  
A portal to reach to the side  
where bodies fall from the sky.

Solitude and Peace of Mind.  
Entombed in Cromlech.

Yes, flee over the River Styx  
and join the dead with joy.  
An ocean of Blasphemy, Heathenish realm  
and "Do What Thou Wilt" as decoy.

My Prophecy is true...  
We'll all make it through.
