

# Empire Of The Sun, High And Low

Now we're running in a pack to the place you don't know  
And I want you to know that I'll always be around  
Down where the summer and the late nights last forever  
There's a house on the hill that we can by trap now

Our last day, you're on your way home, way home, way home  
I'll be on both sides, babe: high and low  
If I had my way, I'd never let you go  
I'll be on both sides, babe: high and low  
If I had my way, I'd never let you go

Let's get together and forget all the troubles, and just flow  
I don't want you to go, I need to be close to you now

Our last day, you're on your way home, way home, way home  
I'll be on both sides, babe: high and low  
If I had my way, I'd never let you go  
I'll be on both sides, babe: high and low  
If I had my way, I'd never let you go

Our last day is on the will  
She's been out all night again  
She don't want nobody's help now  
She sees stars and rocket ship

I'll be on both sides, babe: high and low  
If I had my way, I'd never let you go
