

# EMPYR, Water Lily

Put your arms around me  
Remember how it feels  
I'm dead since you're gone  
I'm dead 'cause there's  
No more tomorrow for us, for us  
No more tomorrow

Put your arms around me  
Put your arms around me  
I'm lost  
Put your arms around me  
There's no more tomorrow for us  
And no more tomorrow for you

I'm dead since you're gone  
My head on the ground
